About High Growth Capital Plc

We have a bold vision that the current digital, proprietary content, human connectivity landscape will change fundamentally in the years to come. In the months ahead our plan is to ensure that our Company can play a pivotal role in these exciting and tangible opportunities. Enhanced personalisation, individual control of data, connectivity and engagement are likely to result in the emergence of a much more inclusive human economy delivering tangible and progressive benefits to all stakeholders.

About Sentiance N.V.

Powering the Internet of You.

Sentiance is a data science and behavioral change company turning IOT sensor data into rich insights about people's behavior and real-time context. These insights enable companies to understand how their consumers go through their everyday lives, discover and anticipate moments that matter most and adapt their engagement to real-world behavior and real-time context ethically. We are headquartered in Antwerp Belgium and have additional offices in New York, London, Vilnius, Toronto, Shanghai and Tokyo (with RMC Softbank).
